Senior One Mathematics Revision Notes

Sample revision handout

1. Number operations: Practise addition, subtraction, multiplication and division of whole numbers and integers.

2. Fractions: To add fractions, express them with a common denominator, add the numerators and simplify.

3. Algebra: Collect like terms and use inverse operations to solve simple equations.

Practice: Simplify 3x + 2x – 4. Solve 2x + 5 = 13.

Learning reminder: Use this sample handout alongside the teacher's instructions and the approved school curriculum.
